TRIBUTE FOR THE 50TH ANNIVERSARY OF THE NAACP BAY CITY BRANCH

HON. DALE E. KILDEE

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 4, 2006

Mr. KILDEE. Mr. Speaker, I would like to take this opportunity to honor the Bay City Branch of the National Association for the Advancement of Colored People as it celebrates 50 years as a dedicated champion of civil rights. On June 2, 2006 the members of the Bay City Branch will come together to revere its founding members and renew its commitment to justice for all.

Roy Wilkins chartered the first branch of the NAACP in Bay City in 1918. This was at a time when the NAACP was instrumental in convincing President Woodrow Wilson to publicly denounce lynching. The Branch was disbanded but it was re-chartered in 1938 by Attorney Oscar Baker Sr. and chartered a third time in 1946.

In 1955, NAACP member Rosa Parks was arrested for refusing to give up her seat on a Montgomery Alabama bus and one of the largest grassroots civil rights movements was born. The NAACP was at the forefront of this struggle and Reverend Obie Matthew, Pastor of the Second Baptist Church, organized the present Bay City Branch the following year on October 8, 1956. 50 years later the Branch is still fighting for equality of all citizens.

The Bay City Branch has led the fight against discrimination in housing, education, employment, healthcare, and the criminal justice system. Some of its notable fights were the Migrant Negroes from Georgia Case, the Bay County Skating Rink Case in the 1960s, the Woolworth 5&10 Store Sit-in, the hiring of the first African American teachers by the Bay City School District, and the inclusion of a Black History Class in the Bay City Central High School curriculum. The Branch has given away more than 70 scholarships to high school students. They have supported CORY Place, sponsored a summer USDA Food and Activity program for children, and worked with other local agencies to improve the living conditions in Bay City.

The hymn, Lift Every Voice and Sing, was written by James Weldon Johnson in 1900. In it he wrote, "Sing a song full of hope that the present has brought us; Facing the rising sun of our new day begun, Let us march on till victory is won." Under the current leadership of President Idella White, the Bay City Branch is marching on in the fight to remove barriers to racial equality. The Bay City Branch remains committed to educating citizens about their constitutional rights, and the adverse effects of racial discrimination.

Mr. Speaker, I am asking the House of Representatives to join me in congratulating the Bay City Branch of the NAACP for 50 years of commitment to social justice. The members are to be commended for their steadfast fight against racial hatred and I pray that together

we will eliminate this scourge from our nation and the world.

IRAN FREEDOM SUPPORT ACT

SPEECH OF

HON. JANICE D. SCHAKOWSKY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 26, 2006

Ms. SCHAKOWSKY. Madam Speaker, I rise in support of H.R. 282, the Iran Freedom Support Act, which has 360 bipartisan cosponsors who represent approximately 216 million Americans.

Following continued Iranian threats to develop and deploy nuclear weapons, increasing evidence that Tehran is interfering with stabilization efforts in Iraq, President Mahmoud Ahmadinejad's denial of the Holocaust and comments that Israel should be wiped off the map, and ongoing Iranian support of international terrorist organizations such as Hezbollah, it is time for the United States to take concrete steps to hold Iran accountable for its actions.

I am a co-sponsor of H.R. 282 because I feel it is a priority to ensure that Iran is not abusing the basic rights of its people, endangering the well-being of its neighbors, or destabilizing the region. H.R. 282 strengthens existing United States sanctions against Iran, authorizes support to democratic reformers within Iran, and calls for American investors to divest their holdings of companies invested in Iran's energy sector. The legislation is designed to deny Iran the necessary funds to advance its quest for nuclear weapons.

Iran is a signatory to the Nuclear Non-Proliferation Treaty (NPT) and has foresworn acquiring nuclear weapons. Yet, it operated a clandestine nuclear program for nearly two decades before it was exposed in 2002.

Iran's continued behavior has led to the decision by the International Atomic Energy Agency to report Iran to the United Nations Security Council. Late last month, the Security Council issued a unanimous statement reiterating calls by the IAEA and members of the international community for Iran to suspend its uranium enrichment efforts and permit U.N. inspectors to reenter Iranian nuclear facilities. Now the United States Congress must use every diplomatic and economic tool at its disposal to address this situation.

While Iran must be held accountable for its actions, I will be demanding that the President of the United States seek the consent of Congress before any military plans are considered. There is no military solution to resolving this conflict. The only solution is to use diplomacy, work with the international community, and promote change in Iran from within.

Iran's acquisition of nuclear weapons threatens the stability of the entire Middle East and could spark a dangerous and unprecedented nuclear arms race. I urge all of my colleagues to act now and support H.R. 282.

FREEDOM FOR ALFREDO MANUEL PULIDO LÓPEZ

HON. LINCOLN DIAZ-BALART

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 4, 2006

Mr. LINCOLN DIAZ-BALART of Florida. Mr. Speaker, I rise today to remind my colleagues about Alfredo Manuel Pulido López, a political prisoner in totalitarian Cuba.

Dr. Pulido López is a dentist, an independent journalist and a member of the Christian Liberation Movement. He believes in writing and speaking the truth about the nightmare that is the Castro regime. As a dentist, trained in protecting and nurturing human life, he could not tolerate the tyrant's incessant abuse of Cuban people. He understood the human condition and he knew that freedom is infinitely superior to the ills of tyranny and repression.

On March 18, 2003, as part of the dictator's condemnable crackdown on peaceful pro-democracy activists, Dr. Pulido López was arrested because of his belief in liberty over repression. In a sham trial, he was sentenced to 14 years in the inhuman, totalitarian gulag.

On April 18, 2006, Dr. Pulido López's wife Rebeca Rodriguez Sauto visited him and found that his health has significantly worsened. According to the report that she filed with Cubanet, Dr. Pulido López is dangerously malnourished, deeply depressed and distraught. She reports that he is afflicted with chronic bronchitis and dark bruises of an unknown origin have appeared on his skin.

Despite his seriously declining health, Dr. Pulido López stated in the Cubanet report that he has no real reason to ask for a medical parole since he is an innocent man to begin with and what the dictatorship's officials really have to give him is freedom. He continued telling his wife, "I am more firm in my convictions every day. I am not going to renounce them. They know that my health is affected. They can do what they want."

Dr. Pulido López's commitment to freedom, in the face of declining health in the grotesque gulag, is a brilliant example of the heroism of the Cuban people. It is a crime against humanity that Castro's totalitarian gulags are full of men and women, like Dr. Pulido López, who represent the best of the Cuban nation.

Mr. Speaker, we must speak out and act against this abominable disregard for human rights, human dignity, and human freedom just 90 miles from our shore. My colleagues, before it is too late, we must demand the immediate and unconditional release of Alfredo Manuel Pulido López and every political prisoner in totalitarian Cuba.
